Germany's most modern cable cars take you from the city's Konrad-Adenauer-Ufer river bank all the way up to the summit station of Ehrenbreitstein Fortress. The cable car is 100% accessible and transports up to 7,600 passengers per hour. With its panoramic cabins, it promises an unforgettable trip over the Rhine and is surely one of the greatest attractions in the Upper Middle Rhine Valley. Enjoy breath-taking views, ascend over 112 meters and discover the beautifully landscaped park on the fortress plateau. When descending you can literally look forward to one of the most beautiful cities at the confluence of Rhine and Mosel.

EHRENBREITSTEIN FORTRESS

DISCOVER CULTURE IN HISTORIC HEIGHTS

A multimedia tour presents the exciting and eventful history of one of Europe's largest fortifications over 12 stopping points. Four large exhibitions invite you to embark on a discovery tour: In the children and family exhibition "HighTech Römer" (HighTech Romans) the enormous technical and organisational skills of the Romans in a broad variety of areas can playfully be experienced. The exhibition "Tradition Raiffeisen: Re-thinking economy" showcases Friedrich Wilhelm Raiffeisen as one of the founding fathers of modern cooperatives and shows how everyone can change the economy.

And if you wish to experience living history first hand, look forward to the thrilling productions of Royal English Engineer Officer Mr. Humfrey, the Eternal Soldier or the Prussian Armoured Officer.
